01

Excel & Data Fundamentals

Weeks 1–2

- Advanced formulas & pivot tables
- Data cleaning techniques

02

SQL for Business Data

Weeks 3–5

- Writing complex queries & joins
- Aggregations & window functions
- Business data modeling
- Query optimization

03

Python for Analysis

Weeks 6–8

- Pandas & NumPy fundamentals
- Data wrangling & cleaning
- Exploratory data analysis
- Automating reports with Python

04

Visualization

Weeks 9–12

- Dashboards with Tableau
- Power BI fundamentals
- Storytelling with data
- Designing business reports

05

Capstone & Interview Prep

Weeks 13–16

- End-to-end business case study
- Portfolio dashboard project
- Resume & interview prep
- Mock case interviews

Capstone: Solve a real business case study

Guided by mentors from real-world analytics teams

01

Industry-Aligned Curriculum

Learn the exact tools — Excel, SQL, Tableau, Power BI — used by analytics teams to drive business decisions.

02

Hands-On Projects

7 real business case studies, from SQL reporting to interactive dashboards, built into a portfolio-ready capstone.

03

Mentor-Led Learning

Small cohorts guided by practitioners who solve real business problems with data, not just theory.

04

Career Support

Dedicated interview preparation and placement assistance as part of the capstone module.

WHO IS THIS FOR

Beginners, career switchers, and professionals who want to build a career in data analytics.

FORMAT

4-month live online program with weekly sessions, projects, and 1:1 mentorship.

OUTCOME

A business dashboard portfolio and interview-ready case study by graduation.

HIRING PARTNERS

4.8/5

LEARNER RATING

"Real business cases. Real mentors. Job-ready dashboards."

Admission **Process**

Four simple steps to start building your data analytics portfolio.

1

Apply Online

Submit your application and background details.

2

Screening Call

A short call to understand your goals and fit.

3

Offer & Enrollment

Secure your seat with enrollment confirmation.

4

Cohort Kickoff

Begin the program with your live cohort.

Ready to build with data?

Enroll now — limited seats for the upcoming cohort.
